need to  
cancel  
an order

All we ask is that you **put it in writing** and drop it in the mail or fax it to us. Special order, unusually high demand orders, volume priced orders, Made to Order (MTO) and Price on Request (POR) orders are considered non-cancelable, but don't worry, we'll notify you in writing before we accept an order for a non-cancelable part.

need to  
return parts

Just call and ask for a **Returned Goods Authorization (RGA)** form. We ask that the parts be securely packaged as they'll need to be in original condition upon our inspection. Return the RGA form with the parts to

**Pressure Connections Corp.**  
610 Claycraft Road  
Columbus, OH 43230

A credit will be issued toward your next order minus a 20% processing and restocking fee. Remember, we cannot fulfill return requests for damaged items, special orders, unusually high demand orders, volume priced orders, Made To Order (MTO), Price On Request (POR), items purchased over one year, or items not originally purchased from us. Also, we are not able to accept returns larger than 5% of your total sales.

no time to  
compare  
prices

We'll compare our prices with your other source for you. **Before placing your next order with someone else**, fax it to us. We'll compare prices, check stock, and fax it back ASAP to show you the difference.

### Quality Satisfaction Guarantee

We strive to provide you with the best all around value. Our Business Philosophy and personal convictions drive our commitment to excellence. We guarantee that you will be completely satisfied with the quality of our product. Our goal is to be easy to do business with.

dedicated  
supplier

Pressure Connections has been in business since 1981 and is a certified ISO 9001:2000 Registered firm. We are dedicated to long-term customer relationships through **Our Business Philosophy, Our Vision, and Our Duty.**

need a  
special  
fitting

We are competitive on special steel adapters. **Our Engineering Department** can design fittings to meet your needs. Special Order and Made to Order (MTO) runs have a 10% over-run or under-run variance, which is standard in manufacturing. The invoice will be adjusted accordingly.

1 year  
warranty

We have a standard one-year warranty on all products unless otherwise stated from the date of invoice. We take great care in the quality of our parts. Upon your request, we can provide you with a **Certificate of Insurance.**

In full legal terms: *Pressure Connections Corp. warrants goods sold in this catalog to be free from defects, in materials and workmanship, for a period of 365 days from the date of the invoice. If within such a period any such goods shall be so defective then such goods shall be repaired or replaced. Such correction or replacement of defective goods shall constitute a fulfillment of all liabilities in respect to such goods. Warranty shall not apply to products subjected to (either during storage or use) accident, negligence, alteration, abuse, misuse, improper installation, or unsuitable applications. In no event shall Pressure Connections be liable for consequential or accidental damage arising out of a delay in, or failure of, delivery or in defects in material and/or workmanship. Standard policy is that our products not be sold for use in ultra-hazardous applications such as aircraft, spacecraft, pollution and/or hazardous substance environments without written consent from Pressure Connections Corp.*

WARNING: Modifying a part can be hazardous. Consult Pressure Connections for modifications, special fittings, or special applications. For example, welding on fittings made of leaded steel, especially when zinc plated, causes toxic fumes that can result in serious injury or death.

quality  
assurance  
department

We will provide a **Certificate of Conformance** upon request. We are confident that our Quality Assurance program and personnel will be able to satisfy any quality concerns you or your customers may have. Furthermore, we have established a Performance Team to handle written customer evaluations of our overall performance. This team is ready to respond to customer quality and service issues.

certified  
ISO 9000

We are a certified ISO 9001:2000 Registered firm. Our Quality Assurance program is able to provide high quality fittings and service according to ISO 9000 principles. All of the documentation needed to satisfy your quality system requirements is on hand. At your request we will provide a **Corrective Action Report** and **Evaluation**. We also have Initial Sample Inspection, In-Process, and Final Inspection Reports.

we support

You support responsible urban ministries with every purchase from Pressure Connections, including *Urban Concern*, and *Youth for Christ - City Life Center*. Check them out on the web at [www.urbanconcern.org](http://www.urbanconcern.org) and [www.coyfc.org](http://www.coyfc.org).

shipment  
problem

**Call, Fax, or Email** us and we'll ship your replacement parts the very same day. If you need to return parts, we'll issue an RGA to make sure you receive a credit for the parts and reimburse you for the return shipping costs. We ask that all claims be made within 10 days of the receipt of the material.

discounted  
terms

Our standard terms are **1% 10 / Net 30 Days**. Invoices are dated the day your parts are shipped. Remember, discounts apply to 'product only' for non-C.O.D. shipments.

"The Corrective Preventive Action program you've set up at Pressure Connections is top notch. It is one of the best that I've seen."

-ISO Auditor, W.J. Davis of Quality Assurance Systems Inc.

### Our Mission

To ship every order every day with **quality parts, quality packaging,** right parts on time, every time.
